Re: *Gerlis v. New York State Department of Health*
Southern District of New York, 20-cv-5107 (PMH)

Dear Judge Halpern:

This Office represents Defendant New York State Department of Health in the above-referenced case and submits this letter seeking an adjournment of the conference currently scheduled for August 12, 2021 until the week of September 5th or thereafter. This is the first such request. Counsel for plaintiff consents to this request.

The reason for this request is that the parties are still discussing the possibility of settlement. Additional time is needed for the parties to explore whether this matter can be settled.

The requested adjournment would not affect any other deadlines as discovery is now closed. Therefore, the Parties have not attached a revised Civil Case Management Plan.

Thank you for your consideration of this matter.

Respectfully Submitted,

/s/

Assistant Attorney General
